

The background features a complex, abstract design. It consists of numerous overlapping, curved, and folded layers that create a sense of depth and movement. The color palette is primarily deep blue, with bright yellow highlights that catch the light, giving the impression of a textured, three-dimensional surface like a modern architectural facade or a piece of art made from paper or fabric.

Navigating the Modern Mobility Ecosystem

The background features a complex, abstract design. On the right side, there is a series of overlapping, curved, yellow and white geometric shapes that resemble a woven or folded fabric, creating a sense of depth and movement. This pattern transitions into a solid dark blue background on the left, where the text is located.
